Scotland*

Does the health of your **skin** affect your life?

If so, come along to our free event for the general public .....

## **SKIN INFORMATION DAY**

The Glasgow Royal Concert Hall

**Saturday 17 March, 2007, from 11am - 4pm**

Hear **Dermatologists** speak on a range of conditions and visit our **skincare exhibition** for further information, advice and support.

Talks will be held at the following times:

**Eczema 11am - 12noon**  
**Melanoma 11am - 12noon**  
**Acne 12noon - 1pm**  
**Psoriasis 2pm - 3pm**  
**Alopecia 2pm - 3pm**

**Are you worried about a mole or sun damage?**

Using the latest skin imaging technology, you will see below the surface of your skin to **view past sun damage and find out the true age of your skin!**

**Everyone is welcome!**
